## OUR VALUES

### U.S. CONSTITUTION

That the Constitution is the Supreme Law of the Land. The rights, principles, and privileges contained therein must be sacred and protected by all elected officials.

### LIMITED GOVERNMENT – HOME RULE

The most effective government is limited government closest to the people. The proper function of government is to do for the people those things that have to be done but cannot be done, or cannot be done as well, by individuals.

### INDIVIDUAL FREEDOM

Good government is based upon the individual and that each person's ability, dignity, freedom, and responsibility comes from God and must be honored and recognized.

### FREE ENTERPRISE

That capitalism and free enterprise, the encouragement of individual initiative and incentive have given this nation an economic system second to none which leads to widespread prosperity and freedom.

### FISCAL RESPONSIBILITY

Sound money management is our objective. Efficiency of government is paramount and alternatives to tax increases should always be sought.

### EQUALITY

Equal rights, equal justice, and equal opportunity for all regardless of race, creed, age, sex, or national origin. Equality of opportunity is an American Value and is distinct from equality of outcome.

# DeSantis freedom agenda

## Putting Kids, Parents and Teachers First

Gov. DeSantis kept schools open, provided highest ever pay increases for teachers, and gave parents a voice in their schools.

## Florida's Economy is Outpacing the Nation

Inflation is an invisible tax weighing on families across Florida and the nation. Gov. DeSantis is fighting back against Biden's reckless spending policies with the largest tax relief package in Florida's history, providing more than \$1.2 billion in tax relief.

## Keeping Our Communities Safe

To ensure Florida communities remain among the safest in the country, Gov. DeSantis signed the most comprehensive pro-law enforcement legislation in the nation, prohibiting defunding the police.

## The Environment: Keeping Florida Beautiful

Gov. DeSantis provided the highest level of funding the state of Florida has ever been provided to ensure our waterways are clean, safe, and pristine. Programs include Everglades restoration, the EAA Reservoir Project, Raising the Tamiami Trail, Breaking ground on C-43 Reservoir, the Red Tide Task Force, and more.

## Protecting the Integrity of Our Elections

Gov. DeSantis promised to clean up Florida's elections, and one of his first acts as Governor was removing a bad faith election supervisor. He's secured more than \$18 million for cyber security and elections hardware improvements.
